## Parents Teacher Association Constitution

- 1) PTA will help the management to take the decision in favour of students.
- 2) PTA will help the school management for the development of the school.
- 3) This association will help the students when they face any problems.
- 4) There will be 15 to 20 members in this association in which at least 5 teachers and 10 parents will be chosen.
- 5) This association will have at least 7 temporary members.
- 6) This association will work for two years and after two years PTA members will be elected again.
- 7) At least two times in a year PTA meeting will be conducted. The chairman can call meetings whenever it is required.
- 8) This association will assist in the change of fee structure or any other improvement in the school.
- 9) Decision about the study games and Co-curricular activities will be done by the association time to time.
